"Good fortune is what happens when opportunity meets with planning."

The prime objective of DAV Public School is to focus majorly on providing a platform for students to develop their inner potential. The school believes in providing top quality education coupled with holistic growth of a child and aims to create a successful global citizen. In today's dynamic world when every moment a new innovation in technology is evolved, the school provides ample opportunities to students to innovate and think critically and lead the learning process.

This planner gives students freedom to plan, organize and keep track of their work to the best of their abilities and requirements. This has a dual benefit in that it increases the student's accountability to the commitments planned as well as provides them with a structure that contributes to their success.
